- ACTION REQUIRED:**
- 1) Hotel reservations, per para 1;

1. I have finally been able to make plans for a European trip and intend to arrive in Munich, from Paris, on 20 April via AF 730 and to leave for Frankfurt from Munich on the afternoon of April 23 via SK 636. I would much appreciate it if you could make a hotel reservation for me during that time.

2. I would also appreciate your alerting Identity A and RNSLIVER, as well as ☐ of my proposed arrival, and say that I am prepared to devote the entirety of my stay to the discussion of the major problems we face. My trip, of course, will be coordinated with the New York headquarters of both projects.

3. I hope also to have a chance to discuss with ☐ MOB's present relationship to these projects and, specifically, the areas where problems may have arisen.
